

## BIO

---

Zohar Kfir is a New York based media artist working with experimental video, interactive art and installation. She holds a MFA from Concordia University's Studio Arts Programme and a MPS from New York University's Interactive Telecommunications Program (ITP). Her artistic practice deploys non-linear narrative to cover a wide range of topics; from poetic meditations to documentary interventions. Zohar has shown her work internationally in galleries and at video festivals, including Transmediale; NYUFF; FACT Liverpool; 56th Oberhausen Film Festival; SIGGRAPH2014 Art Gallery and ISEA Dubai and the Creators Project among others.
